Little Fernz

Our **New Paediatric Inpatient Services**,
now available at Fernandez Hospitals

Banjara Hills (Stork Home)

Bogulkunta

Hyderguda

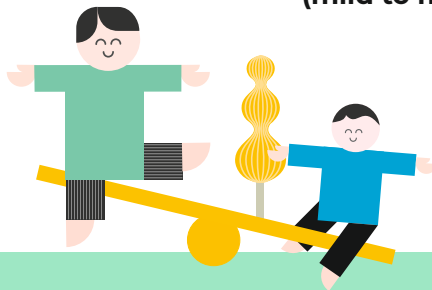

When a child falls ill, families need more than treatment, they need reassurance, attentive monitoring, and a space where children feel safe.

Little Fernz Paediatric Inpatient Services at Fernandez Hospital are designed to care for children with common illnesses that require short hospital stays and careful observation. With experienced paediatricians, dedicated nurses, and mother-friendly rooms, we ensure that children receive the care they need while families stay close and supported.

Expert Care for Childhood Illnesses

Our paediatric team manages a range of common childhood conditions that may require hospital observation or short-term treatment.

- ✔ **Fever admissions**
- ✔ **Gastroenteritis**
- ✔ **Asthma exacerbations**
- ✔ **Febrile seizures**
- ✔ **Mild pneumonia**
- ✔ **Infants requiring observation**
- ✔ **Bronchiolitis (mild to moderate)**

Services Available

Children admitted to **Little Fernz** receive specialised care guided by established paediatric protocols.

- ✓ IV antibiotic therapy
- ✓ Close clinical monitoring
- ✓ Supportive care for respiratory illnesses
- ✓ Fluid and dehydration management
- ✓ Paediatrician-led assessment and treatment

Please Note: Little Fernz provides inpatient care for children who require observation and treatment but not intensive care support. Children requiring PICU care will be stabilised and referred appropriately.

Designed for Children and Their Families

A hospital stay can feel overwhelming for both children and parents. **Little Fernz** has been thoughtfully designed to provide comfort, safety, and reassurance.

- ✓ Mother-friendly rooms so parents can stay close
- ✓ Child-focused nursing care
- ✓ Calm, supportive healing spaces
- ✓ 24/7 paediatric monitoring

Safe Care When it Matters

Little Fernz provides a safe admission option for children with common illnesses who need medical observation but not intensive care.

Our team ensures timely treatment, careful monitoring, and rapid stabilisation with referral if needed, so every child receives the right level of care at the right time.

At **Little Fernz**, every child is cared for with expertise, gentleness, and compassion.
