

Your Birth, Your Way

Introducing our **new Pregnancy Care
and Birthing Plans** at Fernandez!

fernandez

Built for Birthing

At Fernandez,
every birth is more
than a medical
event. It's a deeply
personal journey.

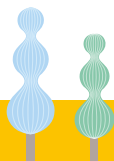

For over 70 years, we've supported more than 200,000 mothers through respectful, evidence-based care that honours their choices and celebrates their strength.

We now offer thoughtfully curated pregnancy and birthing plans that factor in the uniqueness of every mother's journey. Rooted in our belief that every woman deserves care as an individual and as she is. These plans blend compassion, clinical excellence, and flexibility, making it easier to plan your care with confidence, from your very first visit to the day you welcome your baby.

Our plans are more than just checklists; they're a promise. A promise to walk with you, listen to you, and care for you with integrity and respect. Whether it's a gentle, normal birth or a C-section, our goal is the same: a safe, blissful birthing experience tailor-made for you.

Because when you birth with Fernandez, you're not just cared for, you're cherished!

Fernandez Begin

Antenatal Care Plan

Every confident birth Begins with a Strong Start!

At Fernandez, we believe that a positive birthing experience begins long before labour. It begins with trust, support, and expert antenatal care. That's why we created the **Fernandez Begin Antenatal Care Plan**—your personalised guide through the early stages of pregnancy, backed by evidence, compassion, and clinical excellence.

Whether it's your first pregnancy or not, this plan ensures you feel informed, heard, and nurtured from the very first visit.
